## Tempe and Beyond: What's Happening in Politics?

### NATIONAL

#### [Jamie Dimon warns about biggest near-term risk to US economy](#)

JPMorgan CEO Jamie Dimon Opens a New Window. on Tuesday voiced concern about the consequences of an ongoing trade war between the U.S. and China, as negotiations have so far failed to result in an agreement.

#### [Wall St. gains fade as U.S.-China trade concerns linger](#)

NEW YORK (Reuters) - U.S. stocks gave up early gains on Tuesday, with the Dow and S&P 500 moving into negative territory, as the likelihood of a protracted trade war between the United States and China kept investor enthusiasm for stocks in check.

#### [Bernie Sanders backs 2 policies to dramatically shift corporate power to U.S. workers](#)

Sen. Bernie Sanders (I-Vt.) will push new policies aimed at giving workers a greater ownership stake in companies, moves the 2020 presidential candidate is pitching as a dramatic transfer of power in the U.S. economy.

### STATE

#### [Home values in Phoenix: See how prices have changed](#)

Use the map to see how home values in your ZIP Code fared in 2018. You can search a ZIP code's overall price change, which includes new home sales and resales, or you can narrow your search to resales.

#### [Beer industry in Arizona brews up billions in economic impact, study shows](#)

America's beer industry has a frothy effect on the Arizona economy, according to a national study.

#### [Arizona school spending continued to lag far behind US, Census shows](#)

WASHINGTON – New Census Bureau figures show that per-pupil spending in Arizona's public schools was fourth-lowest in the nation in 2017, hampering the state's efforts in recent years to improve education funding.

## LOCAL

### [Waymo using Tempe as training ground to deal with large animals](#)

TEMPE, AZ (3TV/CBS 5) - As driverless cars become more popular, Waymo is using the East Valley as a testing ground for how well its cars operate next to animals like horses.

### [Do scooters need safety rules? Tempe thinks so](#)

Tempe began regulating shared electric scooter companies earlier this year, and now may regulate the riders zipping around on them.

### [Amid urban growth, efforts renewed to protect one of Tempe's oldest neighborhoods](#)

Historic homes in one of Tempe's oldest neighborhoods could get protection from the urban expansion that is creeping up on the neighborhood's edges.
